

KINEDYNE Products

»» Coil Chock and Friction Mat

Our New Heavy Duty Coil Chock's increased width spreads your load across more of your trailer and has 3 bracing sizes. Pair with our Friction Mat to keep your coil safe and in place.

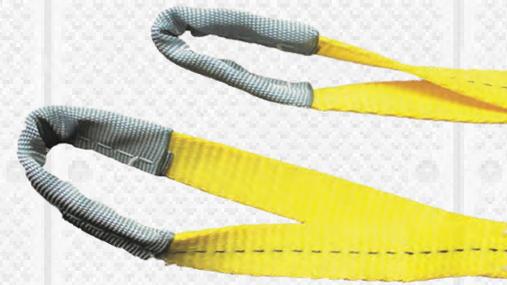

Reflective Veeboard <<

Illuminate your trailer on the road, or parked! These Strong, Stackable, Non-electrical corner protector improves safety at all times.

»» Lifting Slings

Versatile and easy-to-use, these Twisted Eye-To-Eye Slings can be easily removed from beneath cargo loads without stretching out.

Our Newly Redesigned Grip Link Tire Chains & Bungee <<

Grip Link Tire Chains fit the broader treads of commercial tires and provide the quality and reliable traction that you trust from Kinedyne.

The Tire Bungee is a quick and easy way to keep your chains tight for optimal grip.

NEW

KINEDYNE Products

» Kaptive Strap

The revolutionary new way to safely secure cargo in a curtain-side trailer. The system saves time in both loading and unloading, and improves work safety.

STRAP™**
by **KINEDYNE®**

Kold-Front «

Our Durable, Thermal Resistant Curtain Kit provides better insulation because Kold-Front is 40% heavier than standard side curtains. This allows the temperature inside your refrigerated van to maintain the required temperatures.
